

Chelsea C. Williams

Chelsea is a thoughtful, energetic workplace & career strategist with a skill and passion in facilitating conscious conversations that propel personal & organizational action!

BIOGRAPHY

Chelsea C. Williams is deeply passionate about a more equitable & inclusive workplace. As a Workplace Strategist, International Speaker, and the Founder & CEO of College Code, she supports national organizations in centering DE&I as a forethought, rather than an afterthought.

Chelsea is a highly sought advisor to global organizations on talent attraction, development, and retention, with a speciality in engaging early stage professionals and developing people managers. As a National Career Coach at The Muse, she coached hundreds of professionals around the globe on intentionally navigating the job search and effectively managing career transitions.

Prior to starting her business, Chelsea spent a decade on Wall Street managing & leading human capital across the United States, Europe, and Asia.

Chelsea obtained her BA in Economics from Spelman College on full scholarship. She currently resides in Atlanta, Georgia.
